

WARNING MEASURING WHEEL

Any piece of equipment can be dangerous if not operated properly. **YOU** are responsible for the safe operation of this equipment. The operator must carefully read and follow any warnings, safety signs and instructions provided with or located on the equipment. Do not remove, defeat, deface or render inoperable any of the safety devices or warnings on this equipment. **IF** any safety devices or warnings have been removed, defeated, defaced or rendered inoperable, **DO NOT USE THIS EQUIPMENT!!!**

 **WARNING:** Plastic cases and product plastic housings made from polycarbonate or other plastics can expose you to chemicals including bisphenol A, which are known to the State of California to cause cancer and birth defects or other reproductive harm. For more information, go to www.P65warnings.ca.gov

DANGER: This equipment has and creates multiple pinch points that can cause dismemberment or death. Keep hands, feet and all other body parts clear at all times.

Never operate equipment of any kind if you are tired or if you are under the influence of alcohol, drugs, medication, or any substance that could affect your ability or judgment. Be alert!

Use the “buddy system” whenever you are using a measuring wheel in or near traffic. Be sure to look in the opposite direction of travel, i.e. where the traffic is coming from. Use extra caution when using a measuring wheel in inclement weather or when visibility may be hampered.

Always wear proper Personal Protective Equipment including, but not limited to, gloves, hi-visibility clothing and eye protection whenever using this equipment!

If the person receiving this handout will not be the user of the equipment, forward these instructions to the operator. **IF** there is any doubt as to the operation or safety of the equipment, **DO NOT USE!!! CALL A TOOL SHED IMMEDIATELY!!! FAILURE TO FOLLOW THESE INSTRUCTIONS COULD RESULT IN INJURY OR DEATH**

MEASURING WHEELS ROADRUNNER SERIES

CONTRACTOR GRADE

Over 20 years of continuous improvement — such as the new wheel design, kickstand and safety reflector! Extremely popular — tens of thousands sold every year.

The reset on the unit housing is reinforced to protect the unit when using feet. Heavy-duty polycast wheel has clean three-spoke design.

Some components sourced globally.

Easy-to-read, MagnifiedCounter 5-digit, easy-read, magnified counter measures 9,999 feet, 11 inches.

FEATURES < ROADRUNNER SERIES

- 1. Pistol Grip Handle** increases control and comfort.
- 2. Quick Snap Cam Locks** to store and transport the wheel with minimal effort.
- 3. Telescopes down to 23 inches** cam locks make the unit simple to operate when preparing for storage or transportation.
- 4. Flip-Down Kickstand** keeps the wheel upright when you need your hands free to perform other tasks and stays out of the way as you measure.
- 5. Safety Reflector**
